## About the Program

**TumbleBus Hawaii** is a specialized physical fitness program developed for children ages 2 and up. Our goal is to bring fitness to your children for their proper physical and motor development.

**TumbleBus Hawaii** is a full-sized school bus that has been turned into a child-sized gym. Our program offers every area (plus more) of tumbling. The bus is equipped with bars, beam vault, trampoline, ropes, rings, climbing apparatus and more.

With today's busy lifestyle, we have found that parents aren't always able to find the time to do all they want for their children. By bringing TumbleBus Hawaii to your school, we give each child the opportunity to participate in an excellent fitness program which doesn't infringe on the family's valuable private evening hours.

**TumbleBus is also available to you for Birthdays and Special Event Parties.**

Call us for details!

The TumbleBus program currently operates in 26 different states in the U.S. TumbleBus offers your child a very dedicated staff of conscientious professionals with many years of experience. Each instructor is trained in safety and smiles while giving your child a positive learning experience.
